2. PROFESSIONAL SUMMARY AND OBJECTIVE*

Am an accountant and a financial analyst by profession and a proud financial advisor.

As a financial analyst, am well trained on how to make decisions concerning financing, investment and dividend policy with a goal of attaining net present worth or risk-return trade off of a firm even under complex economic situations.

Am good at preparing financial statements, preparing and keeping books of accounts among other activities concerning managing accounts for government and non-government entities.

Am also good at undertaking valuation of entities as well as capital budgeting and ascertaining cost of capital among other finance related activities.

Am skilled in the use of SPSS software as well as accounting packages of Tally, quick books, and Sun plus (computerized accounting).

Curriculum vitae for Watibini Andrew,

I am extremely flexible and I can easily adapt to the standards without compromising with any of principles and responsibilities. A smart and trustworthy man with high sense of humor.

CAREER OBJECTIVE

To work and provide excellent service in National or international organizations to bring about significant contributions to the objectives and wellbeing of the stakeholders linked to the organization so as to create positive change in the world through applying the required skills

MY CAREER AND PERSONAL DIRECTIVE

I believe in God the father, the son and the Holy Spirit with whom we all share the same image. All people are equally important irrespective of differences in color or status.

Listening is the main gate to understanding.

Learning is a continuous process throughout the journey of life.

I also believe that change in the mindset is inevitable for development to take place.
